

TRAINING & PROFESSIONAL DEVELOPMENT

INITIAL REP TRAINING

Friday, 22 July 2011

This invaluable course for new reps delivers knowledge and skills that will be regularly called upon in your role. It also provides a fantastic opportunity to meet the IEU staff who will support you in your role.

Training includes:

- An update in current issues
- An outline of your role as an IEU rep
- Tools of the trade: Agreements/Awards, Contracts and Letters of appointment
- How to strengthen your sub-branch

Remember, all reps in Catholic schools are entitled to one day of paid leave for union training per annum, and reps in other non-government schools can have their replacement costs met by the IEU.
