

## ENLIVEN YOUR CLASSROOM WITH DR TRINIDAD HUNT

Wednesday, 17 August 2011

Teachers consistently ask Dr Trinidad Hunt for activities to enliven the classroom experience.

From storyboards to listening, from interpersonal activities to team maths and science challenges, participants will walk away with a number of experiential learning exercises to keep students active, engaged and learning.

In this fun 'learn by doing' workshop, participants will be given many activities they can apply to the various learning needs of their students.

This session will sell out - book early!
